

Marshfield and Plainfield Energy and Climate Change subcommittee meeting
Monthly meeting minutes, August 21st
Old Schoolhouse Common, library upstairs

Committee members In attendance:
Nick Seifert, Becky Wigg, Anne Miller, Wes Cate

Agenda:

- Discuss and strategize on how to update the town plan.
- Need to update section II (should be called section III). Some accomplishments since 2012:
 - Solar trackers at OSC
 - Energy produced since installation
 - Town meeting resolution about considering climate change in town committees
 - Weatherization home visits, and energy audits
 - See if we can get any data on number of visits conducted, number of audits, weatherization, etc.
 - Films and speakers at OSC (education and outreach) - Anne and Dan may have more details
 - "This changes everything" discussion
 - Janet Ancel - using tax revenues for heating
 - Update commuter bus section with the data that Becky got for Town Meeting
 - New times added
 - Community Energy Dashboard and/or CVRPC should have info on:
 - Energy use
 - Production from PV, etc

Actions:

- Take town plan, put into a google doc - Nick to do this
- One person: make updates based on conversation tonight (e.g. removing old stuff, etc) - Nick to do this
 - Leave blank spaces for things that people need to update
- Everyone else: reply to that person only and let them know what changes they want made.
- Data/items needed:
 - OSC solar tracker data - get this from John
 - Renewable sources, generation, any and all data on this - Wes is going to tackle this
 - Consumption of resources, any and all data on this - Wes is going to tackle this
 - Update any 2012 sources
 - List of actions, events, and work performed between 2012 and now - Nick, and Anne to tackle this
- Add a new section discussing the future addition of Act 174 - Nick to take an initial stab at this
- Next meeting for this subcommittee next monday, August 28th at 7:00pm.
- Email the list that we are meeting on 9/11, warn this in time for the 9/4 meeting.
